

## Corporate Branding and Media Production

---

I started out as a graphic designer and video editor, and gradually expanded my experience to motion graphics, photography, cinematography and creative direction. I create meaningful and appealing visual content for creative artists, events and startups. Looking for a dynamic organisation with an enthusiastic team to work with.

### EDUCATION

#### B.Tech + M.Tech | NIT Rourkela

Mechanical Engineering, Specialization in Mechatronics and Automation | 2012-2017

### EXPERIENCE

#### Co-founder and Creative Resource Manager

Visual Notes | May 2016 - Ongoing

Generated leads for freelance projects on design, photography and video production. Organised meetings with clients and managed overall logistics and finances for the execution of the projects.

#### Festival Director and Chief Strategist

Roots, NIT Rourkela | March 2017

Reached out to the top notch creatives of India, finalized the guest list and handled the hospitality of the guests. Generated ideas for the events of the creative conclave and led the team to successfully conduct the fest.

#### Secretary of The Film and Music Society

Student Activity Centre, NIT Rourkela | 2016-17

Organized Roots, Multi Ethnic Festival, Street Dance Battle and other major events of the film and music society. Actively participated in various national level design and film making competitions.

#### Co-founder and President

Cinematics Club, NIT Rourkela | 2015 -16

Led the official film making club of NIT Rourkela for three years and produced many music videos, ads, and short films. Mentored the club members by conducting film making and photography workshops.
